Competency Statement
All WinnMed personnel including employees, volunteers, students, contracted services and medical staff will demonstrate an understanding and commitment to the protection of patient privacy and the confidentiality and security of health information.
Performance Criteria
I understand that the right of confidentiality applies to all patients and that all patient information is confidential (not just diagnosis and treatment) I understand that not all WinnMed employees are permitted access to patient records. I understand that persons who access patient information and other confidential data must have a legitimate reason (i.e. patient care or administrative audit) to know the information as it relates to their job function. I understand that elevators and other public areas are inappropriate places to discuss patient information and other confidential data even if a patient's name is not used. Such conversations may raise doubts among patients and visitors about our respect for their privacy. I am aware of the precautions and mechanisms used in my home department to safeguard confidential information including computer access, workstations and discussion. I will log off any computer or terminal prior to leaving it unattended. I understand that I am obligated to report security and privacy violations immediately to my supervisor or the compliance officer and when possible I will stop the security/privacy violation. I understand that my obligation under this competency continues after the termination of my employment. I understand that patients have a right to know how their health information is used and that patients must authorize the disclosure of their information except when the disclosure is required by law. I understand that patients have the right to restrict disclosure of their health information. I understand that patients have a right to recommend amendments and or request correction to their medical records. I understand that patients must specifically authorize the disclosure of information related to substance abuse, mental health, and HIV/AIDS. I will forward requests for health information to Health Information Management for appropriate processing, including facsimile requests, walk-in, telephone, etc. I will direct all medical record subpoena/court order requests to the Director of Health Information Management. I understand that all students and volunteers who have access to any information about patients will receive written orientation instructions regarding confidentiality and patient privacy prior to accessing such information. I understand that WinnMed considers intentional and unintentional breaches of patient information a very serious matter. Violations to security and privacy policies will result in appropriate disciplinary actions up to and including termination. I understand that by signing this document that I am agreeing to comply with the above terms. I confirm acknowledgement and receipt of the WinnMed policies and training related to the Health Insurance Portability and Accountability Act of 1996 (HIPAA). I confirm that I am expected to understand and follow policies and procedures related to HIPAA completely. If concerns or questions arise, I may contact the privacy officer, the security officer, the compliance officer, my supervisor, or Human Resources without fear of retaliation.
