WinnMed Foundation Campaign

is focused on financially supporting
WinnMed's hospital and clinic
expansion and renovation project
over the next few years.

You'll see the campus transform
to meet the growing needs of
the region.

TRANSFORMING TOMORROW

Transformations to come...

Two-story addition to house expanded primary and specialty clinics

Expanded Surgical Area

Will include new technology, such as robotics, and an additional operating room.

IN PROGRESS: A Fully Renovated Birthing Suite

The renovated space will include six birthing suites. Families will be welcomed into a new space where they will labor, deliver and stay in one room during their visit.
